

# 2024 Marketplace (Healthcare.gov)

## November 1, 2023 – January 15, 2024

Enroll by December 15, 2023, for coverage that starts January 1, 2024.

Open enrollment for the Health Insurance Marketplace (also known as the “Marketplace” or “exchange”) opens November 1, 2023. The federal government operates the Health Insurance Marketplace, available at **HealthCare.gov**, for most states.

As open enrollment begins, Maury Regional Health wants to ensure you have access to health care and benefits with your preferred providers. Not all providers may participate in these plans and, except in an emergency, the Marketplace Health Exchange Plans do not offer out-of-network benefits.

If you plan to use insurance benefits to seek health care at the following facilities, please be aware of the insurance plan participation outlined below.

Maury Regional Health entities include Maury Regional Medical Center, Marshall Medical Center, Wayne Medical Center, Lewis Health Center and Maury Regional Medical Group practices.
